### **Update on Extension Request**

The State of Maryland requested a fourth extension on October 15, 2021. The State of Maryland requested this extension because, (1) the State received Treasury's form to decline and transfer funds on October 12, 2021. Therefore, the State will be working with relevant NEUs to complete this form; (2) certain NEUs are still in the State's Invoicing process to be paid imminently; and (3) certain NEUs have not submitted all necessary information to allow the State to make a distribution. The State of Maryland continues to contact the outstanding NEUs via phone and email and open new methods of contact where necessary to ensure the completion of all necessary documentation.
